LIFESTYLE INSURANCE MADE FOR YOU

FIRM FOUNDATIONS

WPS is an independently owned Chartered Insurance Broker based in the South West of England. We stand firmly in the Top 100 Insurance Brokers in the UK. Our independence is something we are proud of and differentiates us from our competitors. It enables us to manage the business to the ethos of 'clients' interests come first'.

A BROKER SERVICE FOR YOU

WPS take a personal and individual approach to meeting the often demanding and complex needs of its clients. We believe that knowing and understanding the client is fundamental when trying to build and retain strong relationships. WPS has access to many of the market-leading household insurance products, which combined with our staff expertise, creates individual insurance solutions designed with you in mind.

PEACE OF MIND

WPS understands that when it comes to protecting the things that matter, you need a broker who cares. You need insurance products that go further and provide consistency along with a broker to manage them effectively. WPS understands that with your busy lifestyle you may often lack the time to ensure that your prize possessions are being looked after correctly. At WPS we pride ourselves on an extremely high level of personal service, that is tailor made for you.
